THE MILLER GENERAL HOSPITAL FOR SOUTH EAST LONDON.

FOUNDED IN 1783 AS THE KENT DISPENSARY.

In 1837 Queen Victoria graciously consented to become the Patroness, when it was styled The Royal Kent Dispensary.

One hundred years after the foundation, two circular wards were added, and it was named The Miller Hospital and Royal Kent Dispensary in memory of The Rev. Canon Miller (the Founder of "Hospital Sunday") who at the time of his death was Vicar of Greenwich.

In 1908 the title was again altered to The Miller General Hospital for South East London.

In 1928 the number of beds was increased to 151 and again in 1935 to 167.

A PRIVATE ROOM

THE 153rd ANNUAL REPORT
OF THE
BOARD OF MANAGEMENT
OF
THE MILLER GENERAL HOSPITAL FOR SOUTH-EAST LONDON
AND OF THE CONVALESCENT HOME FOR CHILDREN
"THE FOUNTAIN CONVALESCENT HOME,"
BEXHILL-ON-SEA.

DEATH OF HIS MAJESTY KING GEORGE V.—THE PATRON OF THE HOSPITAL.

On the occasion of the lamented death of our beloved Sovereign, a telegram of sympathy and condolence was sent to Her Majesty Queen Mary, and the following gracious reply was received from Her Majesty's Private Secretary :

“ I am commanded to convey to you and all who joined in your message the Queen’s sincere thanks for these kind words of sympathy.”

In presenting our Report (the statistical part of which relates to the year ended December 31st, 1935) it is a great pleasure to us to be able to state that the financial position at the end of 1935 is a very satisfactory one. This again, however, is solely on account of the exceptional legacies received during the year and referred to later on in this report.

DEATH OF THE RIGHT HON. THE EARL OF DARTMOUTH.

At the time of compiling this Report, the news of the death of The Right Hon. The Earl of Dartmouth has been received. He was President from 1892 to 1922, and during this long period rendered valuable service to this Hospital.

OPENING OF NEW WARD AND UNVEILING OF TABLETS.

The new ward on the roof of the Robinson Wing, which had been named to the memory of Mr. James G. McDougall (an active Member of the Board of Management, Chairman of the Appeal Committee, and Vice-President) who bequeathed £10,000 to the Hospital, was officially opened on the 18th July by the Honorary Treasurer (General Sir Aylmer Haldane, G.C.M.G., K.C.B., D.S.O.) The sixteen beds in this Ward bring up the total number of beds in the Hospital to 167. Also the following tablets were unveiled.

THE JOHN EAST BED.
VICE-CHAIRMAN FROM 1926—1934
AND FOR MANY YEARS A MEMBER OF THE
BOARD OF MANAGEMENT.
NAMED BY HIS WIFE AND SONS.

THE GEORGE JONES COT.
NAMED BY HIS WIFE IN LOVING MEMORY OF
DR. GEORGE JONES AND HIS ONLY SON,
JUNE 15TH, 1934.

MAINTENANCE COST.

The expenditure on maintenance during the year was £43,591.

The income for the year was £49,257, of which no less than £13,692 came from legacies. There was thus a surplus of £5,666, but without the legacies there would have been a deficit of £8,026. We can hardly expect so large a sum from this source of income during 1936, and unless some unexpected help is received there must be a considerable deficit.

PATIENTS ATTENDED.

Inpatients.

The number of patients admitted into the wards was 3,167, being an increase of 412 over 1934, and the average number of occupied beds was 155.69 as compared with 142.90.

Outpatients.

The number of new outpatients was 27,892, and the number of attendances 185,702.

DISTRICTS FROM WHICH PATIENTS ATTEND.

The patients who seek the aid of the Hospital not only come from the immediate Boroughs of Deptford, Greenwich, Lewisham and Woolwich, but include a very large number from the outlying districts of Bromley, Belvedere, Bexleyheath, Erith, Dartford, Barnehurst, Sidcup, Chislehurst, Crayford, etc.

LETTERS OF APPRECIATION FROM PATIENTS.

We are continually receiving letters of appreciation from patients and their relatives for the treatment and kindness received.

ALMONER'S DEPARTMENT.

We would draw attention to the work which is done in the Almoner's Department, and which is of great value to the patients and the Medical Staff.

The Almoner's report will be found on page 35.

NEW OUTPATIENT DEPARTMENT.

The sum of £10,500 is available for the new outpatient department, of which King Edward's Hospital Fund have promised £4,000.

As the matter of accommodation is most urgent, it is hoped that further generous donations will soon be forthcoming so that the work can be begun.

THE ALMERIC PAGET MASSAGE, ELECTRICAL, SWEDISH REMEDIAL AND ULTRA-VIOLET RAY DEPARTMENT.

It is again a great pleasure to us to record our deep gratitude to Lord Queenborough for so kindly continuing to bear the cost of this Department (which was £2,266), and in the name of the thousands who have benefited from the various forms of treatment, we tender our thanks. Since the Department was started in 1916 it has cost £39,082.

The number of treatments given in the Department was 71,767 as compared with 68,583 in 1934, as follows:—

			<i>Inpatients.</i>	<i>Outpatients.</i>
Massage	1,476	30,665
Electrical	672	15,073
Swedish Remedial	120	3,497
Radiant Heat	255	10,654
Ultra-Violet Ray	646	8,709
			3,169	68,598 = 71,767

We also express our gratitude to Lord Queenborough for the many ways in which, as President, he is always ready to further the interests of the Hospital.

THE ALMERIC PAGET SCHOOL OF PHYSIOTHERAPY.

We again record our appreciation of the generosity of the Hon. Dorothy Paget (Lord Queenborough's younger daughter) in connection with this School which is for both male and female students.

PATHOLOGICAL DEPARTMENT.

The work of this Department is of the utmost importance for the purpose of diagnosis and treatment, and the number of examinations carried out has increased considerably during the year. 6,770 examinations were carried out on patients attending the Hospital, being an increase of 1,695 over 1934. During the same period 2,581 examinations were performed for the special treatment centre. The total therefore for the Department is 9,351.

**THE HOSPITALS' WELFARE SOCIETY FOR LEWISHAM,
DEPTFORD AND GREENWICH.**

It is with very great pleasure that we record our appreciation of the wonderful support which the Society so kindly continues to render to the Hospital. The sum received from the Society since its foundation in 1920 is £18,929. We warmly thank the voluntary collectors for their devoted efforts, also the various Committees and all connected with the Society.

OTHER COLLECTIVE HELP.**THE MILLER HOSPITAL AID SOCIETY.**

From our own Aid Society we received the sum of £400, making the total received £5,623 since its inception.

Again the Society provided the turkeys for the whole of the patients and staff at Christmas.

We gratefully acknowledge this generous aid.

THE BELLINGHAM BOWLING AND LAWN TENNIS CLUB.

We also warmly thank the Bellingham Bowling and Lawn Tennis Club for continuing to help the Hospital each year ; the sum received this year being £75.

HARVEST FESTIVALS AND GIFTS IN KIND.

We remember with gratitude the gifts which we have received from Churches, Schools, and various friends, and which are much appreciated by the patients. Particularly, we would mention the gifts received from the Civil Service Christmas Toy Distribution.

The Royal Arsenal Co-operative Society now give us goods to the value of £10, which are most useful and much appreciated.

THE MILLER GENERAL HOSPITAL FOOTBALL CHARITY CUP COMPETITION.

The sum of £38 3s. 6d. has been received this year, making a total of £735 1s. 5d. since the first match was played in 1921. We are most grateful for the contributions received from this source.

FLAG DAY.

The result of the Flag Day was most gratifying--the sum of £504 17s. 2d., being received, in comparison with £302 8s. 7d. received last year. This increase was largely owing to the splendid efforts of the Students of the Goldsmiths' College. We gratefully record our appreciation of the aid rendered by the organizers and flag sellers in the various districts.

LINEN GUILD.

The Linen Guild has again had a successful year, and we tender our grateful thanks to the Chairman (Mrs. R. F. A. Purkiss), the Committee, and all concerned, for the continued help so kindly rendered to the Hospital.

The total received from this source was £762 0s. 0d. and we again wish to thank all those who kindly assisted to make it a success.

LONDON BLOOD TRANSFUSION SERVICE.

It is again a pleasure to us to place on record our appreciation of the help given by this voluntary service, and to tender thanks on behalf of the patients whose lives have been saved by the kindness of the donors.

PAY BEDS.

There has been a greater demand for the private rooms and cubicles. The average number of occupied beds being 15.47 in comparison with 13.74 last year.

THE FOUNTAIN CONVALESCENT HOME.

The number of children sent to the Home was 120; the average stay of each child being 42.92 days and the average weekly cost £1 8s. 8d.

The children derive great benefit from the sea air, and the Home continues to be of the greatest help to the Hospital in connection with the Children's Department.

THE SCHIFF HOME OF RECOVERY.

We wish to thank the Management of the Schiff Home of Recovery for their kindness in allocating beds for female patients from this Hospital. This enables us to deal with a greater number of urgent surgical cases.

NURSES' FIFTH ANNUAL PRIZE-GIVING.

The usual presentation of the Pauline Paget Gold Medal to the best all-round nurse of the year was made by Lord Queenborough at the Annual Prize-Giving held on July 23rd. It was won by Nurse Winifred Meade, and it will be remembered that the Medal is the gift of Lord Queenborough in memory of his first wife—Mrs. Pauline Paget.

The Silver and Bronze Medals—which are the gifts of the Hon. Lady Baillie and the Hon. Dorothy Paget respectively—were also presented to those nurses who had obtained the next highest number of marks. The Silver Medal was presented to Nurse Mary Cook, and the Bronze Medal to Nurse Nancy Brady.

Other prizes of books (which were given by members of the Board, the Honorary Medical and Surgical Staff, and Mrs. John East) were awarded.

PATIENTS' LIBRARY.

The Library has been much appreciated by the patients, and we are most grateful to Miss M. List and the Misses Goddard Jones for their kindness in continuing the work of Honorary Librarians.

BOARD.

It is with much regret that we have to record the resignation, owing to his departure from London, of Instructor-Captain R. J. M. Holliday, R.N.

FIRE DRILL AND APPLIANCES.

Messrs. Merryweather & Sons, Ltd., have again assisted the Hospital by giving fire drills to the Nursing Staff and looking after the fire appliances, and we again express our appreciation of this invaluable service.

HONORARY AUDITORS.

Again we offer our warm thanks to Messrs. W. A. Scott & Co., Chartered Accountants, of 50 Cannon Street, E.C., for their great kindness in continuing to audit the Hospital's accounts in an honorary capacity. This work has increased considerably during the last few years.

HONORARY MEDICAL AND SURGICAL STAFF.

To the Members of the Honorary Medical and Surgical Staff we tender our grateful thanks for all they so kindly do for the patients, and in this connection announce with regret the resignations of Dr. P. Quinn (who has left the neighbourhood), and Mr. E. C. Woodhead, Dental Surgeon. Mr. C. W. Shuttleworth has been appointed to succeed Mr. Woodhead.

POUND DAY.

The Third Pound Day was held on June 27th, and the gifts were received by the Mayor of Greenwich (Mrs. Carter). We are most grateful to all those who made the collection a success.

CONCLUSION.

In conclusion we would express our thankfulness for the wonderful support which the Hospital has received during the 150 years of its existence and which has made it what it is to-day. We have lost some very good friends during the last few years but we appeal with confidence for new helpers who will see to it that our work of healing does not suffer and that the sorely needed extension is provided.

Signed on behalf of the Board,

FRANCIS THORNEYCROFT WHEEN,

13th March, 1936.

Chairman.

A Special Note to Annual Subscribers.

Annual Subscribers by signing an agreement to pay their subscriptions for seven years, not only enable the Hospital to recover the Income Tax on their subscriptions, but if they are liable to sur-tax, the gross amount of their subscriptions may be deducted from their returns.

*With Income Tax at 4/9 in the pound
an annual subscription of £1 1s. od.
becomes £1 7s. 6d. and pro rata.*

The Secretary will be pleased to send the necessary Form of Agreement on request.

We have examined the above Balance Sheet, also the Income and Expenditure Account, and the Accounts of the Hospital Extension, Endowment and Samaritan Funds, and compared them with the Books and Vouchers, and find them in accordance therewith.

We have also examined the accounts of the Convalescent Home and found them in accordance with the books and vouchers relating thereto.

To the best of our knowledge and belief the regulations of the Revised Uniform System have been followed.

The investments stand on the books at cost price or at the price ruling at the date the investment became the property of the Hospital. In view of the nature of the funds they represent we do not consider it necessary to adjust the prices to correspond with market fluctuations.

ALMONER'S REPORT.

Although the number of new patients registered in 1935 was slightly below that of the previous year, the volume of social work has not decreased. The slightly lower number gives the Almoner greater opportunity to know the patients and to use more discrimination in dealing with the individual. Appointments for the X-ray Department and for evening treatments, occupy a large proportion of time, but owing to the inconveniences of the buildings, it is not possible to alter the present procedure.

The arrangement with Messrs. Curry & Paxton, by which their representative should deal with grants and patients' payments for glasses, has been cancelled this year. The delay in the supply of glasses caused such hardship to the patients, that it was felt necessary for the Almoner's Department to make itself responsible for the cost of glasses as for other appliances.

Materials and appliances for carrying out treatment at home and Insulin for Diabetics, were supplied in greater quantities than heretofore. This year we were fortunate in being able to raise the whole cost. The number of Surgical Instruments supplied was 1,043 at a cost of £1,532 17s. 7d., which was raised, as follows :—

				£ s. d.
From Patients	867 1 10
From Hospital Sunday Fund	39 5 9
From Hospital Saturday Fund	12 8 3
From Hospital Saving Association	195 8 11
From Approved Societies	179 12 8
From Surgical Aid Society	17 14 0
From other sources, C.O.S., I.C.A.A. & P.A.C.				203 18 5
Samaritan Fund	17 7 9

The use of four beds for women at the Schiff Home of Recovery at Cobham has helped to free surgical beds at an earlier date than formerly, and has appreciably reduced the female waiting list. The tendency to discharge to their homes by ambulance, patients whose further treatment consisted of rest in bed has also helped to shorten the period of waiting for admission. The ambulance account has as a result increased this year to £54 12s.

During the year 376 patients were sent to Convalescent Homes, of whom 120 children went to the Fountain Home at Bexhill. The Vicar of Greenwich has very kindly given several Free Letters to needy patients living in the Parish of Greenwich, which were a very great boon both to the patients and to us.

Mrs. Townley Parker very kindly allowed us to send female patients to a cottage on Farnham Common. Their stay at the cottage was much enjoyed and appreciated by all the patients. One woman wrote that the memory of the kindness shewn to her at Farnham would cheer her for all the remaining years of life.

The Charity Organisation Society and the Invalid Children's Aid Association have continued their help in visiting, supervising, convalescing and helping to raise money for the needs of our patients. This very generous co-operation is of immense value in our attempts to secure after-care for patients.

THE EXTENSION FUND will provide for the building of a greatly needed New Outpatient Department, and increased bed accommodation.

THE CONVALESCENT HOME FUND is for the maintenance of the Hospital's Convalescent Home at Bexhill-on-Sea, to which children are sent on their discharge from the Hospital.

THE ENDOWMENT FUND is invested in the names of "The Official Trustees of Charitable Funds" (they and "The Official Trustee of Charitable Lands" being the Hospital's Trustees), and the income therefrom is used solely for maintenance purposes.

**LEGACIES MAY ALSO BE
MADE TO ANY OR ALL
OF THE ABOVE
FUNDS**

LINEN GUILD.**ANNUAL REPORT FOR THE YEAR 1935.**

I have great pleasure in submitting the Annual Report of the Linen Guild of the Miller General Hospital.

FINANCE.

It will be noticed that our Balance Sheet covers a period of eighteen months. In future, our financial year will close on December 31st instead of on June 30th.

Our total receipts for the eighteen months amounted to only £242 7s. 10d., which is a serious decrease on the previous year. This is partly accounted for by a large drop in the proceeds from the Annual Bazaar, but the present small membership is the chief cause of the failure to reach our £300 per annum goal.

THE BAZAAR.

Unfortunately our Annual Bazaar had to be held on a day when it was impossible for the Braby Guild to have their usual Stall. They were very much missed and our " takings " were greatly diminished, partly no doubt, in consequence of their absence.

I wish to express our gratitude to all the Stall-holders and to congratulate them on the result of their efforts, which, in spite of many difficulties, brought in a sum of £123 16s. 0d.

MEMBERSHIP.

Unfortunately our numbers have again fallen. I hope that we may be able to make some special effort this year to increase our membership.

THE BRABY SEWING GUILD.

The Braby Sewing Guild very kindly continues to give us their support. Their fortnightly Working Parties get through a tremendous amount of most valuable work.

On behalf of the Hospital I wish to thank Mrs. Braby and all the members of her Guild very warmly for all they do for us.

THE HOSPITAL MENDING PARTY.

The Mending Party continues to meet week by week in the Hospital.

Our most sincere thanks go to Sister Beck and to all our members who work in the Linen Room and in their own homes.

Finally, I wish to express our gratitude to the Schools and other Organisations who so kindly help us. I should specially like to mention :—

The Greenwich Rotary Club

Heath House School, Bromley

The Roan School

Miss Furze and her 4 Companies of Rangers

The Junior Linen Guild

Mr. Marks, for his valuable work as Hon. Treasurer

Mr. Arthur Purkis, for kindly auditing the accounts.

(Signed) ADA PURKISS, *Chairman.*
